

TRAVEL FORM

(Required For Any Travel Lasting Three Days or More)

Pacific Intercultural Exchange applies the following guidelines to student travel. Each exchange student and host parent should read each guideline and secure the necessary paperwork and signatures for travel lasting three or more days:

1. This form must be submitted to Pacific Intercultural Exchange's (P.I.E.) International Headquarters office at least 30 days prior to departure, especially if the travel is outside the United States.
2. Any student traveling during the program must be accompanied by an individual twenty-one years of age or older unless travel is uninterrupted (brief layovers on plane, train, or bus trips during which the student remains in the airport, bus/train station are acceptable and considered "non-interrupted" travel).
3. Travel on Thanksgiving, Easter and Christmas holidays is permitted only with the student's host family.
4. Return visits to a student's home country during the course of the sponsored program are not permitted.
5. P.I.E. may say a student is not allowed to travel if he/she is not in good standing with P.I.E..
6. For any travel outside of the United States (including Canada and Mexico), it is the sole responsibility of the student to verify and obtain any travel visas or permits required by the countries visited as well as those required for re-entry to the United States. Any costs associated with such documents are the sole responsibility of the student. For any such international travel, written permission from the student's natural parents must be submitted before permission can be granted.

The information and signatures on this form must be completed and returned to P.I.E.. Please refer to the International Student Handbook for any other requirements and restrictions.

Student Name: _____

Student Home Country: _____ **Student Code:** _____

Regional Manager: _____ **Host Family State:** _____
